#### Sterling Ruby: Soft Work and CHRON II

The Fondazione Memmo and MACRO celebrate the work of German-born American artist Sterling Ruby with two parallel exhibitions.

**22 May-15 Sept.** MACRO Testaccio hosts Soft Work, an exhibition conceived by the Los Angeles-based artist as a single work, comprising large "soft sculptures". MACRO Testaccio, Piazza O. Giustiniani 4.

**24 May-15 Sept.** Fondazione Memmo presents CHRON II, featuring over 70 pieces selected by Ruby from his personal collection and representing over a decade of work. The exhibition focuses on the role of collage in his work and allows viewers to observe the influences on him, from hip-hop to horror, from prison systems to public sculpture, from arts and crafts to existentialism. Fondazione Memmo, Palazzo Ruspoli, Via del Corso 418, 066832179, [www.fondazionememmo.it](http://www.fondazionememmo.it).
